We make ICT infrastructure more powerful yet simpler, enabling your business to work better and grow.

**SIMPLIFIED ICT,  
AMPLIFIED BUSINESS.**

## Core Values

INNOVATION

QUALITY

TRANSPARENCY

TEAMWORK

## Our Mission

To be the global leader in IT Services. Building on our technologies, competencies and customer interests, and creating value for our stakeholders and customers. We'll achieve this by focusing on the intersection of our client's emerging needs and the acceleration of business and technological change.

## Our Vision

Greycon Limited will be the first choice solution partner in the technology sector providing IT and Communication services to businesses throughout the region.

We will become an integral part of our client's success, collaborating with them to achieve their strategic objectives whilst creating long lasting business value through the delivery and management of their technology.

Our team of talented, experienced and motivated industry specialists will be recognised as the best in their field. Our continued success will be driven by our people who will share in it.

# WHAT WE DO

Cutting Edge Technology  
Products and Services

**SIMPLIFIED ICT,
